INTER-OFFICE CORRESPONDENCE

REILLY TAR & CHEMICAL CORPORATION

TO: MR. R. J. BOYLE - INDIANAPOLIS
FROM: H. L. Finch
SUBJECT: PLANT PROPERTY

OFFICE: St. Louis Park
DATE: September 30, 1963

non-responsive, who owns a piece of property just south of Highway No. 7 to the south of our property, called me this morning and explained that he thought he was going to have to sue us for the damage done to his property by the contaminated water coming from our plant.

It seems to me that better than a year ago, **non-responsive** called using the same approach, with the idea in mind that we should buy his property. I do not know if anything will actually come of this, and after a lengthy discussion with **non-responsive**, believe that I pacified him somewhat for the time being, but in case action is actually taken, I thought you should be informed.

Yours very truly,

H. L. Finch
